Pressurised Engineering Cabin A60 Zone 1 or Zone 2

Specification

Our typical Engineering Cabins come in 20ft, 15ft and 12ft lengths and are built to DNV 2.7-1 and EN 12079 standards. Built for operation in Zone 1, Zone 2 or Safe Areas either Offshore or Onshore. Utilised as ROV Cabins, Offices, Control Rooms, Equipment Rooms, MWD Container Cabins, etc.

We understand that no two customer's requirements are the same, therefore we can build and fit out your cabin to the specification you require.
